XZone Volleyball Parents and Player Commitment 2020-2021

Welcome to the 2020-2021 XZone Volleyball. On behalf of the coaching staff of XZone Volleyball, congratulations on making the team!!!! Each player was carefully selected based upon their athletic ability, passion for the game, and cooperative attitude. As the year begins, each parent (and player) is asked to commit to the following in order to help ensure our team's success:

- 1) I accept my position on the team I have been asked to play on for XZone Volleyball.
- 2) I understand that there is a significant time commitment involved in practice and competition and will commit to the effort needed to support my team.
- 3) Players and parents will show respect and sportsmanship to all coaches, parents, teammates and referees at all times. (This includes the opposing team parents, coaches and players).
- 4) Attend all tournaments and practices (except for emergencies) unless previously discussed with the coaching staff.
- 5) Profanity or negative language will NOT be tolerated.
- 6) Parents and players verbalizing frustrations or questioning coaching decisions **will not** occur on game day. The coaching staff has an open door policy, but these discussions need to be delayed at least 24 hours after the conclusion of the tournament...not in the emotions of the moment.
- 7) Please direct all questions/complaints straight to the coaching staff at the appropriate time, rather than other parents. Negativity leads to more negativity and can then lead to gossip, which doesn't benefit anyone and only leads to dissention. If, after these steps you still do not feel you have resolution to a problem, please contact Marty Lohr (Volleyball Coordinator) or Doug Dillon (GCA Sports Complex Athletic Director) in that order.
- 8) At no time should a player throw any of his/her or XZone's equipment, objects or verbally abuse others!
- 9) All players must be certified as a referee, line judge and scorekeeper for tournaments.
- 10) Academic success at school is not optional. Players must maintain acceptable grades in order to play.
- 11) We are looking for players and parents committed to the organization and support its mission: to "Empower Lives in our Community" through the love of Sports.
- 12) All parents/guardians agree to fulfill the financial obligation entered into by paying the fees associated with XZone Volleyball, regardless of participation. Payment for the season is due in full by January 15th.
- 13) Dismissal or suspension from the team could/may occur if it is determined by the XZone volleyball coordinator and/or GCA Sports Complex Director that a player and/or parent guardian is perpetually failing to meet the above statements.

***I _____ (parent name if player is under 18) have read and understand the above statements on behalf of participating on the XZone Volleyball Travel Teams. I understand that Volleyball is an athletic event which can result in injury. I agree to hold harmless the XZone, GCA Sports Complex, Guardian Christian Academy and coaching staff for injuries that occur during athletic events and practices.**
